FARHAN KHAN

I'm Farhan, a.k.a **Karamat**. A one-man production house that turns wild ideas into 3D worlds, brand films and web-toys. I design, model, light, animate, edit, and code the tools underneath. Miracles, on commission.

PORTFOLIO /

WORK EXPERIENCE

3D Artist · Transformation Team

2024 → PRESENT

Zostel · Zo World

Core of the transformation team. 3D visualizations of real Zostel properties, mural concepts painted onto actual walls, and real-estate walkthroughs franchise partners bet money on. Also product animations, motion design, brand visuals and AI-driven pipelines across the board.

Art Generalist

JAN → MAY 2023

Glip.gg

Low-poly, game-ready HD assets: characters, environments and props, plus high-quality 3D animations and renders across the board.

Senior Designer

2022 → 2023

DeHidden (Polygon)

3D assets for web, animations for partnerships and promos, and creative direction for the team.

Independent · Commissioned Work

2021 → PRESENT

Karamat · Freelance

3D, motion and brand work for 50+ clients, including **OnePlus**, **Fortnite**, **FIFA World Cup 2022**, **Oceedee**, **Sneako** and **The Real World** (Andrew Tate).
